

Port Talbot Harriers Kit

Please see below for (very amateur) photos of current kit available.

To order please use separate order form, which details sizes available.

Unfortunately we do not keep kit in stock as there are now 55 different sized items available! All of the kit is sourced via Tarw Sportswear and Embroidery Bryncethin (01656 725925). Please contact them if you wish to try before you buy, or have queries about sizing.

Please note: Port Talbot Harriers or ourselves make no profit from these sales, but we do offer FREE and prompt delivery to PTH training sessions (usually within 1-2 weeks of payment)

Thank you, Cath & Andrew
